

COVID-19 CURRENT POLICY POSTPONE CLINICS

Hello friends of Peach PAWS

As concerned rise for COVID-19 the government has implemented several measures to control the spread of this disease. Social distancing is recommended and has forced most businesses to have to close the doors to communal areas. We host events at PetSuites of America and currently they have asked us to postpone vaccine clinics until these restrictions are lifted. We understand the concern for public safety and hope that this does not inconvenience our clients as we would hope to be available for you as soon as these restrictions are not necessary.

Local veterinary clinics that offer adequate spacing are still open and available for you to get the boosters needed for any vaccines. We do sincerely apologize again this is something out of our control, but understand this is the best way to help the community as a whole.

If you have any questions or concerns please do not hesitate to contact us or PetSuites to confirm this information.

Sincerely Dr. Zee
